

MACal 9800 Pro

Long-term premium marking films for branding

This exclusive Mactac film is designed for high-performance permanent applications with up to 10 years of outdoor life. A highly flexible facestock gives excellent conformability on flat to slightly curved surfaces. MACal 9800 Pro Series features a high-performance, permanent solvent-based acrylic adhesive, and a white Kraft liner for stability and lay-flat properties.

Macal 9800 Pro series includes options equipped with B-free technology, designed to enable faster application processes. Additionally, it also offers a hi-tack adhesive, ideal for demanding applications that require a robust bond with various substrates.

Advantages

- 25 colors available with B-free technology
